CFO MEMORANDUM NO. 2019-101-019

TO: Michael E. Duggan, Mayor; Honorable Detroit City Council

FROM: David P. Massaron, Chief Financial Officer

SUBJECT: Fiscal Impact of Proposed Master Agreement between the City of Detroit and the American Federation of State, County and Municipal Employees Council 25 – Non-Supervisory

(AFSCME)

DATE: September 24, 2019

1. AUTHORITY

- 1.1. State of Michigan Public Act 279 of 1909, Section 4s(2)(d), as amended by Public Act 182 of 2014, states the chief financial officer shall submit in writing to the mayor and the governing body of the City his or her opinion on the effect that policy or budgetary decisions made by the mayor or the governing body of the City will have on the City's annual budget and its four-year financial plan.
- 1.2. CFO Directive No. 2018-101-029 Fiscal Impact Statements states that the CFO shall issue Fiscal Impact Statements for all items requiring fiscal impact statements, as defined in that Directive, to provide financial information to the Mayor and the City Council as they consider action on proposed local policy or budgetary decision items.

2. PURPOSE

2.1. To provide financial information to the Mayor and the Detroit City Council as they consider action on the proposed Master Agreement ("contract") between the City of Detroit (the "City") and the American Federation of State, County and Municipal Employees Council 25 – Non-Supervisory (the "AFSCME").

3. OBJECTIVE

3.1. This Memorandum serves as the report on the fiscal impact of the proposed contract in relation to the City's annual budget for FY 2020 and four-year financial plan for FY 2020 – FY 2023 (the "City budget").

4. SCOPE

- 4.1. This Memorandum is not intended to convey any statements nor opinions on the advisability of entering into the provisions in the proposed contract, including but not limited to Work Rules, except for those components of the proposed contract that have or may have a fiscal impact on the City budget.
- 4.2. This fiscal impact analysis is based on the proposed contract as described below in Section 5 of this Memorandum. Should the proposal change prior to final approval, an updated CFO Memorandum on its fiscal impact would need to be issued.

5. STATEMENT

5.1. Conclusion: The proposed contract has no net negative impact on the City budget.

- 5.2. Background: The proposed contract's financial provisions would impact the budget for multiple departments providing annual wage increases of 2% for all bargaining unit members from FY 2020 through FY 2023. The impacted departments are listed in the fiscal impact chart in Section 5.3.
- 5.3. Fiscal Impact: The proposed wage increases are budgeted, so there is no incremental cost. Thus, the proposed contract changes would not require the identification of offsetting budget resources, and there is no net negative impact on the City budget.
